### Thank you for choosing Ando!

In return for **you** having paid or promised to pay the required premium **we** agree to insure **you** as set out in this policy.

---

## Important Stuff About This Policy

### The insurance contract

The contract consists of:

- any information provided to **us** by **you** on which this insurance is based including **your** proposal,
- the terms of this policy,
- any endorsements or clauses that **we** apply to **your** policy, and
- the **schedule**.

### Duty of disclosure

When **you** apply for insurance, **you** have a legal duty of disclosure. This means **you** or anyone on **your** behalf must tell **us** everything **you** know (or could be reasonably expected to know) that might affect **our** decision when deciding:

- to accept **your** insurance, and/or
- the cost or terms of the insurance, including the **excess**.

In particular, **you** should tell **us** anything which may increase the chance of a claim under this policy, or the amount of a claim under this policy.

**You** also have this duty every time **your** insurance renews and when **you** make any changes to it. If **you** or anyone on **your** behalf breaches this duty of disclosure, **we** may treat this policy as being of no effect and to have never existed.

Please ask **us** if **you** are not sure whether **you** need to tell **us** about something.

### Changes to facts or circumstances during the policy

**You** must tell **us** of any material change to any of the facts or circumstances existing at the beginning of the **period of insurance**. If **you** do notify **us** of a change, **we** may alter the premium, the terms of **your** insurance or cancel the insurance with effect from the date on which the change first occurred.

### Changing your mind

If **you** change **your** mind **you** can cancel **your** policy within 30 days of it starting provided **you** have not made a claim. **We** will then cancel the policy from its commencement and refund in full any premium **you** have paid.

### Reading this policy

There are words in bold that have a specific meaning(s) and are explained in the 'Definitions' section at the end of this policy document.

The headings that **we** have used in this policy document are intended to help **you** find **your** way through it more easily. They are not intended to be used for interpreting the contents of the policy document.

### Privacy Act and the Insurance Claims Register

By entering into this insurance contract with **us**, **you** consent to **your** personal information being collected by **us** for the purposes of entering into this policy with **you** and any claim in connection with this policy. **You** also consent to any personal information **we** hold in connection with any claim that **you** make being transferred to the **Insurance Claims Register**, a register operated by Insurance Claims Register Limited for use by participant insurers, including **us**. This information may be accessed by participant insurers for the purpose of managing claims.

This means **we** will:

- provide insurance contracts which are understandable and show the legal rights and obligations of both **us** and **you**;
- explain the meaning of legal or technical words or phrases;
- explain the special meanings of words or phrases as they apply in the policy;
- manage claims quickly, fairly and transparently;
- clearly explain the reason(s) why a claim has been declined;

## Concern or complaint

**We** aim to provide a great standard of service in everything **we** do.

If **you** have a concern or complaint, **we** want to hear from **you** so that **we** have the opportunity to make it right. **You** can contact **us** on 09 377 1432 or see [www.ando.co.nz](http://www.ando.co.nz) for information on **our** complaints and dispute resolution process.

## How We Will Settle Your Claim

### When you claim under Section 1 or 2

#### Repairable

If the **car** is economic to repair in **our** opinion, **we** have the option to:

- arrange for the **car** to be repaired as near as possible to the condition it was in before the **loss** happened, using parts and practice appropriate in the New Zealand repair industry, or
- pay **you** the cost of repairs as estimated by **our** assessor.

#### Not repairable

If the **car** is **uneconomic to repair** in **our** opinion, **we** will:

- pay **you** the **agreed value**, if the **car** was in a good and well maintained condition in **our** opinion when the **loss** happened, or
- pay **you** the **market value** up to the **agreed value**, if the **car** was not in a good and well maintained condition in **our** opinion when the **loss** happened, or
- replace the **car** with a new **car**, if:
  - the **loss** happened within 12-months of **you** buying the **car** new,
  - it has travelled less than 15,000 kilometres and
  - the same model and specification is available in New Zealand.

- **your car**, including all **modifications** and **accessories** becomes **our** property. This includes if it is recovered after it has been stolen,
- the total premium for the entire **period of insurance** must be paid in full before the claim is settled,
- this policy ends. **You** are not entitled to any refund of premium. If **you** are paying **your** premium by installment then **you** must pay all unpaid installments, or any unpaid installments shall be deducted from any settlement payment.

#### Parts unavailable in New Zealand

- the manufacturer's last known list price in New Zealand, or
- the price of the part's closest New Zealand equivalent, or
