What we agree to cover

Cover for your car

The cover provided in this section depends on the type of cover shown on **your schedule**. If **your schedule** shows 'Type of Cover – Third party, fire and theft' or 'Type of Cover – Third party' then the cover set out in this section is modified as set out in the 'Cover types' section of this policy.

We'll cover you for accidental loss to the car that happens during the **period of insurance** in New Zealand, including in transit between places anywhere in New Zealand, while being **used** in accordance with the **car use** set out below and subject to the terms, conditions, limits and exclusions (including 'Policy Exclusions' section) of this policy.

Your car

Your car includes:

- > the standard manufacturer's equipment and options,
- > any **accessories**,

Your car does not include:

- > **modifications we** have not agreed to cover,
- > personal effects and household contents (such as CDs, clothes, sporting or recreational equipment, detachable GPS systems, eyewear or cell phones) in **your car**.

Insured car use

We'll only cover you when the **car** is being **used**:

- > for private, domestic, social or pleasure purposes,
- > community work including religious workers and social welfare workers, or
- > in connection with a business, profession or occupation, however not if the person **using** the **car** is doing so in their capacity as one of the following:
 - > salesperson, commission agent, service person or commercial traveller, or
 - > insurance representative, insurance agent or insurance broker, or
 - > land or real estate agent, or
 - > mortgage broker or mobile mortgage manager, or
 - > stock or station agent, or
 - > courier driver, delivery person, Uber or taxi driver, or
 - > member of a motor trade.

We won't cover you when the **car** is being **used**:

- > to carry fare-paying passengers (except when car-pooling or car sharing) or for hire, or
- > to carry, haul or tow any goods, plant, machinery or samples in connection with any trade or business other than farming, or
- > to practice for or take part in any race, rally, pace-making, reliability trial or speed test, vehicle training or race track driver training day, or
- > on any race track.

Additional policy benefits

Accidental death and permanent disablement

We'll pay to **you** the amounts set out below if:

Excess protection

You will not be obliged to pay an **excess** if an identifiable driver of another vehicle causes **loss** that is covered by this policy, if **you**:

- > give **us** enough information to prove the driver of the other vehicle was completely at fault, and
- > give **us** the correct registration number of the other vehicle and information to identify the other driver (such as name and address or licence details), and
- > give **us** the help required to recover the **loss** from the driver of the other vehicle, or from its owner.

The most **we'll** pay is the **sum insured** shown on **your schedule**.

Protection against uninsured drivers

If **your schedule** shows that **you** have 'Third party, fire and theft cover' or 'Third party only cover', then this policy is extended to cover **accidental loss** to **your car** during the **period of insurance** caused by an uninsured driver of another car.

We'll, if **we** consider **your car** is economic to repair and at **our** option:

- > arrange to repair **your car** to substantially the same condition as it was before the **loss** occurred, or
- > pay **you** the cost of repairs as estimated by an assessor appointed by **us**, or
- > if **we** consider **your car** is uneconomic to repair, pay **you** its **market value** up to \$4,000

- > give **us** any information **we** ask for or help which **we** reasonably request.

If **you** become aware of a claim or a circumstance that could give rise to a claim against **you** which is or may be covered under this policy, **you** must:

- > as soon as possible, send **us** everything **you** receive from anyone about the claim or possible claim against **you**;
- > not admit liability without **our** consent;
- > not incur any expense without **our** consent;

- > **we** may pay, if **we** choose, the full amount under this section of this policy or any lesser amount for which the liability can be settled, plus defence costs incurred. If **we** do so, this will meet all **our** obligations under this section of the policy.

How we'll settle your claim

Repairable

If in **our** opinion the **car** is economic to repair, **we** have the option to:

- > arrange for the **car** to be repaired as near as possible to the condition it was in before the **loss** happened, using parts and practice appropriate in the New Zealand repair industry, or
- > pay **you** the cost of repairs as estimated by **our** assessor.

Parts unavailable in New Zealand

The most **we'll** pay for any part or **accessory** not available in New Zealand is the lesser of:

- > the manufacturer's last known list price in New Zealand, or
- > the price of the part's closest New Zealand equivalent, or
- > the cost of having a new part made in New Zealand.

We won't pay for the cost of freighting parts or **accessories** from overseas or for the replacement of any part that has not been damaged.

Repair guarantee

All repairs to the **car** that are done through **our** approved repairer network are quality guaranteed while **you** own the **car** and insure it with **us**.
