# Important stuff about this policy

## Welcome to Blanket Comprehensive House Insurance

Blanket Comprehensive House Insurance is provided by the insurer noted in the **schedule**. The insurer noted in the **schedule** is the only organisation responsible for claims under this cover. Administration of Blanket Comprehensive House Insurance and claims handling services are managed by Ando Insurance Group Limited (Ando) on behalf of the insurer noted on the **schedule**.

When **you** purchase Blanket Comprehensive House Insurance **you'll** enter into a contract with the insurer noted in the **schedule** on the terms and conditions set out in this policy document.

## Our promise to you

In return for **you** having paid or promised to pay the required premium **we** agree to insure **you** as set out in this policy.

## Your policy

**Your** policy with us consists of:

- > any information provided to **us** by **you** or on **your** behalf including **your** proposal,
- > this policy document,
- > any endorsements or clauses that amend the policy terms as shown in **your schedule**, and
- > the **schedule**.

## Reading your policy

You should read this policy document, together with **your schedule** to make sure **you** understand **your** cover and that it meets **your** needs.

There are words in bold that have specific meaning(s) and are explained in the 'Definitions' section at the end of this policy document.

The headings that **we** have used in this policy document are intended to help **you** find **your** way through it more easily. They are not intended to be used for interpreting the contents of the policy document.

## Applying your policy

How we apply cover under **your** policy depends on the type of **event** which has caused **loss** to **your house**.

**We'll** calculate the maximum **we'll** pay differently if **your loss** is as a result of a **fire** or explosion than **we** will for other types of **event**, as set out in page 6 of this policy.

Please note that the term '**fire**' has a specific meaning as set out in the 'Definitions' section on page 31 of this policy.

## Duty of disclosure

When **you** apply for insurance, **you** have a legal duty of disclosure. This means **you** or anyone applying on **your** behalf must tell **us** everything **you** know (or could be reasonably expected to know) that might affect **our** decision when deciding:

- > to accept **your** insurance, and/or

- > the cost or terms of the insurance, including the **excess**.

In particular, **you** should tell **us** anything which may increase the chance of a claim under this policy, or the amount of a claim under this policy.

**You** also have this duty every time **your** insurance renews and when **you** make any changes to it. If **you** or anyone on **your** behalf breaches this duty of disclosure, **we** may treat this policy as being of no effect and to have never existed.

Please ask **us** if **you** aren't sure whether **you** need to tell **us** about something.

## Changes to facts or circumstances during the policy

**You** must tell **us** of any material change to any of the facts or circumstances existing at the beginning of the **period of insurance**. This includes any structural additions or structural alterations which **you** make to the **home**.

If **you** do notify **us** of a change, **we** may alter the premium, the terms of **your** insurance or cancel the insurance with effect from the date on which the change first occurred.

## Changing your mind

If **you** change **your** mind **you** can cancel **your** policy within 30 days of it starting **we'll** refund in full any premium **you** have paid, provided **you** have not made a claim.

## Privacy Act and the Insurance Claims Register

By entering into this insurance contract with the insurer noted in the **schedule**, **you** consent to **your** personal information being collected by Ando. Ando's privacy policy, available at [www.ando.co.nz](http://www.ando.co.nz) sets out how **your** personal information is protected. Ando may share **your** personal information with other organisations to evaluate, provide, process and maintain **your** policy. Other organisations may include **your** insurer as noted in the **schedule**, and any of their partners, reinsurers and suppliers.

If you would like a copy of **your** insurer's privacy policy, please contact **us** on [privacy@ando.co.nz](mailto:privacy@ando.co.nz)

**You** also consent to any personal information **we** hold in connection with any claim that **you** make being transferred to the **Insurance Claims Register**, a register operated by Insurance Claims Register Limited for use by participant insurers, including **us**.

This information may be accessed by participant insurers for the purpose of managing claims.

## Fair Insurance Code

**We** are committed to complying with the Fair Insurance Code as published by the Insurance Council of New Zealand. This means **we'll**:

- > provide insurance contracts which are understandable and show the legal rights and obligations of both **us** and **you**;
- > explain the meaning of legal or technical words or phrases;
- > explain the special meanings of words or phrases as they apply in the policy;
- > manage claims quickly, fairly and transparently;
- > clearly explain the reason(s) why a claim has been declined;
- > provide **you** with a written summary of **our** complaints procedure as soon as disputes arise and advise **you** how to lodge a complaint and tell **you** about the Insurance and Financial Services Ombudsman Scheme.

## Concern or complaint

**We** aim to provide a great standard of service in everything **we** do.

If **you** have a concern or complaint, **we** want to hear from **you** so that **we** have the opportunity to make it right. **You** can contact **us** on 09 377 1432 or [complaints@ando.co.nz](mailto:complaints@ando.co.nz) and see [www.ando.co.nz](http://www.ando.co.nz) for information on **our** complaints and dispute resolution process.

# What we agree to cover

This policy provides insurance for **your house**, plus a number of extra benefits.

In this section, **we** explain what is covered by the policy. This section sets out **our**:

- > main insuring promise;
- > the maximum **we'll** pay;
- > additional policy benefits; and
- > optional policy benefits.

The additional policy benefits are included in **your** cover unless noted otherwise in the **schedule**. The optional policy benefits are not included in **your** cover unless specifically noted in the **schedule**.

In the section, 'What We Won't Cover' **we** set out some of the things that **we** don't cover under this policy.

**You** should read all sections to get a full picture of what is covered by this policy, what **your** obligations are and what **we'll** pay.

## Main insuring promise

**We'll** cover **you** for **accidental loss** to the **house** that occurs during the **period of insurance** subject to the policy's terms, conditions and exclusions.

## The maximum we'll pay

Unless otherwise noted on **your schedule** if the **loss to your house** is caused by **fire** or explosion the maximum amount that **we'll** pay **you** or incur **ourselves** for any **event** is:

- > the **reinstatement value**;
- > the actual cost to rebuild or replace other items covered under the definition of **house**;
- > the amount of any applicable additional policy benefits outlined below that apply in addition to the **reinstatement value**; and
- > the amount of any applicable optional policy benefits that have a sublimit set out below that apply in addition to the **reinstatement value** and are shown on **your schedule**.

If the **loss to your house** is not caused by **fire** or explosion the maximum amount that **we'll** pay **you** or incur **ourselves** for any **event** is:

- > the **sum insured**;
- > the amount of any applicable additional policy benefits outlined below that apply in addition to the **sum insured**; and
- > the amount of any applicable optional policy benefits that have a sublimit set out below that apply in addition to the **sum insured** and are shown on **your schedule**.

## Additional policy benefits

The additional policy benefits are subject to the terms and conditions of the policy.

## Authorities damage

**We'll** cover **you** for the cost of repairing any physical damage to the **house** caused by any government or local authorities during the **period of insurance** to prevent **loss** to the **house** which would be covered by this policy.

Any amount that **we** pay **you** under this additional policy benefit is included within the **reinstatement value** or **sum insured**.

### Electronic programmes

**We'll** cover **you** for the reasonable cost of resetting, restoring or reprogramming any software that is necessary to operate any electronic equipment installed in **your house** where that equipment has suffered **loss** covered by this policy during the **period of insurance**. However, this does not extend to the cost of replacing any data stored on any of this equipment.

The most **we'll** pay **you** under this additional policy benefit for any one **event** is \$1,500. This limit is in addition to the **reinstatement value** or **sum insured**.

### Hidden gradual damage

**We'll** cover **you** for gradual physical damage to **your house** which is hidden from view, provided that the damage occurs during the **period of insurance** and is caused by the leaking or overflowing of an internal:

- > water pipe, waste disposal pipe or water storage tank;
- > bath, shower, basin, sink, toilet, cistern, bidet; or
- > household appliance;

which is permanently connected to the **house's** plumbing system.

**We'll** also cover **you** for parts of the **house** not directly affected but which must be damaged or destroyed to locate the cause of the gradual physical damage.

**We** won't cover **you** for:

- > the cost of repairing the water pipe, waste disposal pipe, water storage tank, bath, shower, basin, toilet, cistern, bidet or household appliance;
- > any damage that occurred before or after the **period of insurance**.

The most **we'll** pay **you** under this additional policy benefit is \$5,000 for any one **event**. This limit is included within the **reinstatement value** or **sum insured**.

### Home office

**We'll** cover **you** for **loss** to any part of the **house** that is used as a home office that occurs during the **period of insurance**.

Any amount that **we** pay **you** under this additional policy benefit is included within the **reinstatement value** or **sum insured**.

### Intentional acts

If the **house** is a **rental property** and this is shown on the **schedule**, provided that **you** comply with the 'Landlord obligations', **we'll** cover **you** for **loss** to the **house** by **fire** or explosion that occurs during the **period of insurance** which is caused intentionally by:

- > a **tenant**, or
- > any **guest** of a **tenant**.

Any amount that **we** pay **you** under this additional policy benefit is included within the **reinstatement value** or **sum insured**.

## Keys and locks

We'll cover **you** for the cost of replacing keys or locks that give access to the **house** or changing key codes if the security of **your house** is at risk following theft, **loss** or unauthorised duplication of **your** keys that occurred during the **period of insurance**.

We'll also cover **you** for the cost of opening any safe or strong room following theft or disappearance of its key or combination.

The most we'll pay **you** under this additional policy benefit for any one **event** is \$2,000. This limit is in addition to the **reinstatement value** or **sum insured**.

If **you** have another policy with **us** which also covers these costs, the most we'll pay **you** is \$2,000 in total under all of the policies for any one **event**.

The **excess** does not apply to this additional policy benefit.

## Landscaping

We'll cover **you** for **accidental loss** to **your** gardens (including hedges, trees, shrubs, and plants), garden edging and lawns that occurs during the **period of insurance** where:

- > the **house** was also damaged in the same **event** and **we** have agreed to pay a claim for **loss** to the **house**;
- > a vehicle not belonging to **you** and/or not in **your** control causes damage by impact to **your** gardens without causing any damage to the **house**.

The most we'll pay **you** under this additional policy benefit for any one **event** including the cost of clearing and replanting with new seedlings is \$5,000. This limit is in addition to the **reinstatement value** or **sum insured**.

## Legal liability

We'll cover **you** for **your** legal liability to other people arising out of an occurrence which causes:

- > **accidental loss** to other people's property;
- > **bodily injury** to other people;

provided that:

- > the occurrence happens during the **period of insurance**; and
- > it occurs within New Zealand; and
- > it is caused by or through or in connection with **your** ownership of the **house** or its grounds or the **site**.

## Defence costs

We'll also cover **you** for **defence costs** incurred by **you** with **our** approval, for liability arising under the above items.

## Reparation

We'll cover **you** for **your** legal liability to pay **reparation** to a person who has suffered **accidental loss** of property or **bodily injury** resulting from **you** committing an offence during the **period of insurance** in connection with the ownership of **your house**, **provided that**:

- > **you** or any other person entitled to cover under this additional policy benefit must tell **us** immediately if **you** or they are charged with the offence, and
- > **we** must give **our** written approval before any offer of **reparation** is made.

We won't cover **you** for any amounts that are covered under the Accident Compensation Act 2001 ('the Act'), or would be covered except for:

- > a failure by the victim to correctly notify a claim to the Accident Compensation Corporation within the time required under the Act, or
- > the victim's decision, for whatever reason, not to claim any amount he or she would be entitled to claim under the Act, or
- > a decision by the Accident Compensation Corporation to decline a claim or limit its liability in whole or in part and for any reason whatsoever.

This additional policy benefit does not provide cover for any **defence costs**, court costs or levies.

### What we'll pay

The most **we'll pay you** under this additional policy benefit for any one **event** is:

- > \$2,000,000 for **loss** to other people's property; and
- > \$1,000,000 for **bodily injury**.

The above limits are inclusive of **defense costs** and **reparation** costs incurred.

If **you** have cover for **your** legal liability under any other insurance policy with **us**, **you** can only claim for **your** legal liability under one of the policies.

If **you** make a claim under this additional policy benefit:

- > **we** shall be entitled, but not obliged, to take over and control the defence of the claim and may settle any claim;
- > **we** may appoint a lawyer of **our** choice to represent **you** in the defence of the claim;
- > **we** may pay, if **we** choose, the full amount under this section of the policy, or any lesser amount for which the liability can be settled plus **defence costs** incurred.

If **we** do so this will meet all **our** obligations under this additional policy benefit.

Any amount that **we** pay **you** under this additional policy benefit is additional to the **reinstatement value** or **sum insured**.

### Loss of rent

If the **house** is a **rental property** and this is shown on the **schedule**, provided that **you** comply with the 'Landlord obligations' and a residential tenancy agreement was in place at the time of the **loss**, **we'll** cover **you** for the reasonable rent that **you** lose if the **house** becomes **uninhabitable** due to **loss** to the **house** that occurs during the **period of insurance** which is covered by this policy or covered entirely by the Earthquake Commission.

The most **we'll** pay **you** under this additional policy benefit for all **events** occurring during the **period of insurance** is \$50,000. If **you** have another policy with **us** which also covers the lost rent, the most **we'll** pay **you** is \$50,000 in total under all of the policies for all **events** occurring during the **period of insurance**.

This limit applies to each **rental property** shown in the **schedule**. Any amount that **we** pay **you** under this additional policy benefit is additional to the **reinstatement value** or **sum insured**.

### Natural disaster

Despite the 'Earth and other movements' clause in 'what we won't cover' **we'll** cover **you** for **loss** to the **house** caused by, arising from or connected with a **natural disaster** that occurs during the **period of insurance**, provided that the **loss** is covered under the **EQC Act** and the cost of repairing or rebuilding the portion of **your house** which has sustained **loss** because of the **natural disaster** is more than **your** cover under **EQC Act**.

Where the **loss** would have been covered under the **EQC Act** but:

- > **you** failed to notify the Earthquake Commission of a claim within the time required under the **EQC Act**, or
- > the Earthquake Commission declines **your** claim, or only partially settles **your** claim,

**we'll** only pay the difference between the maximum that would have been payable had the Earthquake Commission accepted **your** claim in full, and the cost to repair or rebuild the part/s of **your house** that suffered the **loss** up to the **sum insured**.

There is no cover for the **excess** payable by **you** under the **EQC Act**.

**We'll** also cover **you** for **loss** to the **house** caused by a **natural disaster** that the Earthquake Commission does not cover because the **loss** has occurred in a part of the **house** which does not fall within the cover provided under the **EQC Act**.

For all **natural disaster** claims in this additional policy benefit, the **excess** will be \$5,000 per **event** (or **your** standard **excess** if higher).

The most **we'll** pay under this additional policy benefit is the difference between the maximum payable by the Earthquake Commission and **your sum insured**.

## **New building work**

**We'll** cover **accidental loss** to new building work during the **period of insurance**.

New building work includes all of the following:

- > any work being undertaken to alter existing fittings or features at the **house we** insure unless excluded below;
- > any new structure being built within the **residential boundaries** of the **house we** insure unless excluded below; and
- > any building materials that are intended for use as part of the alterations to **your house** and which are owned by **you** and located within the **residential boundaries** of the **house we** insure unless excluded below.

New building work does not include

- > alterations where the expected value of the completed work, or the cost that an independent professional would charge, including building materials, is more than \$50,000 including GST;
- > any structure that **you** do not own (or are not responsible for whilst it is being built) or that will not be covered by this **house** policy once complete.
- > any new dwelling being built;
- > alterations that involve excavation more than 1 metre deep;
- > alterations that involve any work on, or removal of load bearing walls;
- > re-piling or any work involving piles or foundations;
- > removal of roofing or external cladding;
- > structural alterations or alterations that involve an extension, such as an additional room being added to the existing **house**;
- > structures or alterations that **you** are building for commercial purposes;
- > alterations that have not been granted a building consent or similar, where one is required;
- > alterations that are subject to a separate contract works insurance policy.

The most **we'll** pay **you** under this additional policy benefit for any one **event** is \$50,000. This limit is included within the **reinstatement value** or **sum insured**.

## **Post disaster inflation**

**We** may, at **our** sole and absolute discretion, increase the **sum insured** available under this policy if:

- > a **natural disaster, flood, storm or wide area damage fire** has occurred near the **house during the period of insurance** causing widespread damage to the property of the community and, as a direct result, building costs have significantly increased;
- > **you** intend to repair or rebuild the **house**; and,

- > the **sum insured** is inadequate to wholly cover the actual cost required to repair or rebuild the **house** solely due to the increase in building costs described above.

The most **we'll** increase the **sum insured** by is 10%.

## Retaining walls

**We'll** cover **you** for **accidental loss** to **retaining walls** that occurs during the **period of insurance**.

**We** won't cover **you** for **loss** to incomplete **retaining walls** or any **retaining wall** for which a building or resource consent was legally required and either:

- > building or resource consent was not obtained; or
- > the local authority has not issued a code compliance certificate in respect of the **retaining wall**.

**We** won't cover **you** for **loss** to any **retaining wall** that is covered under the **EQC Act**.

The most **we'll** pay **you** under this additional policy benefit for any one **event** is \$100,000 unless an increased amount is stated on the **schedule**. This limit is included within the **reinstatement value** or **sum insured**.

## Sale and purchase

If **you** have entered into a contract to sell the **house**, **we'll** cover the purchaser on the same basis that **we** insure **you** under this policy for **loss** to the **house** that occurs during the period between the date the contract was entered and:

- > the date of settlement; or
- > the date on which the purchaser takes possession of the **house**; or
- > the expiry of the **period of insurance**;

whichever occurs first.

The cover provided by this additional policy benefit will only be available to the purchaser if the purchaser:

- > meets all conditions of this policy, and
- > has not otherwise insured the **house** at the time of the **loss**.

The cover provided to the purchaser under this additional policy benefit shall never be greater than the cover which would have been available to **you** if **you** had not entered into the contract to sell the **house**.

## Stress payment

If **your house** is a **total loss** due to an **event** occurring during the **period of insurance** and **we** accept a claim under this policy, **we'll** pay **you** an additional sum of \$2,000 for the stress caused by this **loss**.

If **you** have another policy with **us** which also provides a benefit related to stress, the most **we'll** pay **you** is \$2,000 in total under all of the policies for any one **event**.

Any amount that **we** pay **you** under this additional policy benefit is additional to the **reinstatement value** or **sum insured**.

## Temporary accommodation

If **your house** becomes **uninhabitable** due to **loss** to the **house** that occurs during the **period of insurance** which is covered by this policy or covered entirely by the Earthquake Commission, **we'll** pay the reasonable cost of temporary accommodation of a similar quality to **your house** for **you**, members of **your family** who were permanently living with **you** immediately before the **loss**, and **your domestic animals**.

**We'll** also pay the reasonable cost of temporary accommodation where **your house** is otherwise safe and sanitary, but **you're** prevented from accessing it by an order or direction of government or local authorities made during the **period**

**of insurance** due to possible or impending **loss** to the **house** which would be covered by this policy or covered entirely by the Earthquake Commission.

**We'll** stop paying temporary accommodation as soon as any of the following occur:

- > **your house** has been repaired or rebuilt;
- > **your house** is no longer **uninhabitable**;
- > **you** move into another **house** that **you** own;
- > **we** settle **your** claim under this policy by paying **you** a sum of money;
- > **we** have provided temporary accommodation for 12 months; or
- > **we** have paid \$50,000 for temporary accommodation.

If **you**, or a member of **your family**, have any other policy with **us** which also provides cover for temporary accommodation, **you** and **your family** are only entitled to payment of this benefit under one policy per **event**.

If **you** have made a claim for the cost of temporary accommodation under this policy (or under any other policy that **you** have with **us**) and another **loss** occurs to **your house** while **you're** living in temporary accommodation, then the most **we'll** pay is \$50,000 for all claims or **events** combined.

**We** won't pay this benefit where **your house** is insured as or used as a holiday home.

Any amount that **we** pay **you** under this additional policy benefit is additional to the **reinstatement value** or **sum insured**.

## Tree removal

If **your house** suffers **accidental loss** because a tree or part of a tree falls onto the **house** during the **period of insurance** and **we** have agreed to pay a claim covered by this policy:

- > **we'll** cover **you** for the cost of removing the tree from the **house** to enable repairs to be carried out; and
- > **we'll** cover **you** for the cost to remove from **your** property the rest of the tree, including any parts of that tree that have not fallen.
- > **we** won't cover **you** for the cost to remove stumps from the ground.

The most **we'll** pay **you** under this additional policy benefit is \$2,000. This limit is in addition to the **reinstatement value** or **sum insured**.

## Use or manufacture of drugs by a tenant

If the **house** is a **rental property** and this is shown on the **schedule**, provided that **you** comply with the 'Landlord obligations', **we'll** cover **you** for **loss** caused by contamination of the **house** through the consumption, manufacture, storage, or distribution of any **controlled drug** at the **house** during the **period of insurance**.

The maximum that **we'll** pay **you** under this additional policy benefit for all **events** that occur during the **period of insurance** is \$30,000.

If **you** have another policy with **us** which also covers the same **loss**, then the most **we'll** pay **you** is \$30,000 in total under all of the policies for all **events** occurring during the **period of insurance**.

This limit applies to each **rental property** shown in the **schedule**.

Any amount that **we** pay **you** under this additional policy benefit is included within the **reinstatement value** or **sum insured**.

## Water or sewerage pipe blockage

**We'll** cover **you** for the cost of clearing an **accidental** blockage in an underground water or sewage pipe that occurs during the **period of insurance**, provided:

- > the blocked pipe is within the **residential boundaries**, and
- > the blockage was not caused by the roots of any tree or plant.

The cover provided by this additional policy benefit only extends to:

- > the costs of clearing the **accidental** blockage; and
- > the cost of repairing or rebuilding any driveway, patio, path, paving, tennis court, or other permanent structure within the **residential boundaries** which is damaged or disturbed by the work to clear the blockage.

**We** won't cover **you** for any maintenance costs.

The most **we'll** pay **you** under this additional policy benefit for all **events** is \$1,500. This limit is in addition to the **reinstatement value** or **sum insured**.

## Optional policy benefits

The following optional policy benefits may be added to **your** policy for an additional premium. If **you** have selected an optional policy benefit and paid the extra premium it will be shown on **your schedule**.

The optional policy benefits are subject to the policy's terms, conditions and exclusions.

### Excess-free glass cover

If the **schedule** shows that **you** have chosen 'Excess-free glass cover', **we** won't require **you** to pay an **excess** for claims solely for **accidental** breakage of:

- > windows glass, door glass or glass screens; or
- > sinks, baths, wash basins, toilet bowls, shower cabinets, bidets; or
- > permanently fixed glass lampshades, permanently fixed mirrors or glass built-in furniture, which occur during the **period of insurance** and which are part of the **house**.

For clarity this optional extension remains subject to the 'Glass and windows' clause under 'What we won't cover'.

### Extra landscaping cover

If the **schedule** shows that **you** have chosen 'Extra landscaping cover', the most **we'll** pay **you** under the 'Landscaping' additional policy benefit is \$50,000 for any one **event**. This 'Extra landscaping cover' if chosen by **you** replaces the additional policy benefit 'Landscaping'. This limit is in addition to the **reinstatement value** or **sum insured**.

### Landlord's extension

If the **schedule** shows that **you** have chosen the 'Landlord's extension', provided that **you** comply with the 'Landlord obligations' Condition, **we'll** cover **you** for **loss** to the **house** and **landlord's contents** that occurs during the **period of insurance**, including **loss** which is caused by:

- > an intentional act; or
- > vandalism; or
- > theft;

by:

- > a **tenant**;
- > anyone sub-leasing or living with **your tenant**, or
- > any **guest** in the **house**.

An **excess** of \$1,000 applies to any claim for vandalism or intentional act. This **excess** applies to each residential dwelling shown on the **schedule**.

The most **we'll** pay **you** for **loss** to the **house** under this optional policy benefit for any one **event** is \$25,000. This limit is included within the **reinstatement value** or **sum insured**. This limit applies to each **rental property** shown on the **schedule**.

For **loss** to **landlord's contents**, **we'll** at **our** option pay:

- > the present-day value of the loss; or
- > the cost to repair the item as near as possible to the same condition it was in immediately before the **loss** occurred.

The most **we'll** pay **you** for **loss** to **landlord's contents** under this optional policy benefit for any one **event** is \$20,000. This limit is in addition to the **reinstatement value** or **sum insured**. This limit applies to each **rental property** shown on the **schedule**.

# What we won't cover

These exclusions apply to all sections of this policy, including the cover provided in the additional policy benefits and the optional policy benefits, unless this policy expressly states otherwise.

## Civil Defence announcement

Unless otherwise agreed **we** will not cover **you** for **loss** or damage caused by **natural disaster**, storm, **flood**, or **wide area damage fire** when there has been an official announcement of a **natural disaster**, storm, **flood**, or **wide area damage fire** warning by Civil Defence, the National Emergency Management Agency, or any other Government department and where **your** request to bind cover, or amend existing cover, is made after the announcement and/or before the warning has been lifted.

## Confiscation

**We** won't cover **you** for any **loss**, cost, liability, damage, or lost rent caused by, arising from or connected with **your house** being confiscated or seized by anyone with a financial interest in **your house**.

# What happens if you need to claim

When **you** need to make a claim, **we**'ll be here to help **you**. However, there are some things that **you** must do.

## What you must do

Immediately after an **event** occurs, **you** must:

- > take all reasonable steps to protect **yourself** and **your** property;
- > take all reasonable steps to prevent further **loss**;
- > immediately tell us about the **event**;
- > notify the police as soon as possible if **you** think the **loss** was caused by a criminal act;
- > keep any damaged property and allow **us** to inspect any areas of the **house** where the **loss** occurred;
- > provide all reasonable assistance and co-operate with **us** and **our** assessors, investigators, lawyers or anyone else **we** appoint;
- > obtain **our** consent before incurring any costs to repair or rebuild the **house**;
- > give **us** any information **we** ask for or help which **we** reasonably request; and
- > assist **us** without charge if **we** decide to take any recovery action against somebody else in respect of **your loss**.

If **you** become aware of a claim against or a circumstance that could give rise to a claim against **you** which is or could be covered under the additional policy benefit 'Legal liability' **you** must:

- > immediately tell **us**;
- > as soon as possible, send **us** everything **you** receive from anyone about the claim or possible claim against **you**;
- > not admit liability without **our** consent;
- > not incur any expense without **our** consent;
- > not negotiate with the claimant or make payment to the claimant or make any agreement in relation to any claim.

If **you** make a claim on this policy, **you** must be honest and truthful.

If **your** claim is dishonest or fraudulent in any way, **we** may:

- > decline **your** whole claim or part of it, and/or
- > recover from **you** anything that **we** have already paid **you** in respect of **your** claim or the **event**, and/or
- > declare that this policy and any other policy **you** have with **us**, to be of no effect and to no longer exist from the date of the dishonest or fraudulent act.

# How we'll settle your claim

We'll settle **your** claim for **loss** that is covered under this policy by following the process set out below.

## Economic to repair

If it is physically, legally and economically possible to repair the **loss to your house**, then at **our** option **we** will:

- > repair the **loss to your house**; or
- > pay **you** the actual reasonable cost **you** incur to repair the **loss to your house**, as those costs are incurred by **you**; or
- > pay **you** the estimated reasonable cost calculated by **our** experts to repair the **loss to your house**; or
- > pay **you** the cost to buy another comparable **house** in New Zealand (excluding the value of the land) up to the estimated reasonable cost calculated by **our** experts to repair the **loss to your house**.

If **you** don't want the **loss** to be repaired or, if **you** do not commence repair work within 12 months from the date of **loss** (unless the reason for the delay is outside of **your** control), then at **our** option **we** will pay **you** the lesser of:

- > the estimated reasonable cost calculated by **our** experts to repair the **loss to your house**; or
- > the **present day value** of the **house**, or
- > the **sum insured**.

Regardless of the option chosen above the maximum amount that **we'll** pay **you** or incur **ourselves** for any **event** is set out in 'the maximum we'll pay clause' (see page 5 of this policy wording).

## Uneconomic to repair – Total Loss

If it is not physically, legally or economically possible to repair the **loss to your house**, then at **our** option **we** will:

- > rebuild your **house**; or
- > pay **you** the actual reasonable cost that **you** incur to rebuild **your house** on the same **site**, as those costs are incurred by **you**; or
- > pay **you** the actual reasonable cost that **you** incur to rebuild **your house** on a different **site** in New Zealand that **you** provide, as those costs are incurred by **you**; or
- > with **your** agreement, pay for **you** to buy another comparable house in New Zealand (excluding the value of the land).

If **you** do not commence the rebuild work or purchase a comparable **house** within 12 months from the date of **loss** (unless the reason for the delay is outside of **your** control), then at **our** option **we** will pay **you** the lesser of:

- > the **present day value** of the **house**, or
- > the **sum insured**.

Regardless of the option chosen above the maximum amount that **we'll** pay **you** or incur **ourselves** for any **event** is set out in 'the maximum we'll pay clause' (see page 6 of this policy wording).

## How we'll repair or rebuild

If **we** rebuild or repair **your house**, or pay for **you** to do so, **we'll** use or make payment on the basis of:

- > a building standard or specification which repairs or rebuilds the damaged part of the **house** to a condition similar to but no more extensive or better than, that part's condition when new; and
- > the use of building materials and construction methods commonly used at the time of the repair or rebuild; and

- > only replicate heritage features if the techniques necessary are still in common use and the building materials are readily available in New Zealand; and
- > where the **loss** is covered under the 'Use or manufacture of drugs by a tenant' additional policy benefit, the standard of repair is to the post-remediation level for residues stipulated in the Methamphetamine Testing and Remediation Standard NZS 8510 (or any amendments or substituted legislation); and
- > **we** may, at **our** option, retain any salvaged property.

## Extra costs which we'll pay

If **we** choose to pay **you** the actual reasonable costs incurred to repair or rebuild **your house**, **we'll** also pay **you** the following costs as they are incurred with **our** prior written consent:

- > the extra cost of complying with laws and regulations necessary for repairing or rebuilding the **loss to your house** provided that:
  - > the compliance cost solely relates to the parts of the **house** that suffered the **loss** covered by the policy;
  - > the damaged parts of the **house** complied with all laws and regulations at the time they were built or altered;
- > the reasonable architects', engineers' and surveyors' fees necessary for repairing or rebuilding the **loss to your house**;
- > the reasonable incurred cost of demolition and removal of debris including the contents.

These extra costs are included within the maximum amount that **we'll** pay **you** or incur **ourselves** for any **event** as set out in 'the maximum we'll pay clause' (see page 6 of this policy wording).

**We** won't pay **you** these extra costs:

- > if **we** choose to carry out the repair or rebuild work (as **we'll** incur these costs **ourselves**); or
- > if **we** pay for **you** to buy a comparable house; or
- > if **we** pay the **present day value** of the **loss**; or
- > in any other situation.

## What we won't pay

**We** won't pay:

- > any extra cost of repairing or rebuilding any part of **your house** caused by that part not having a legally required building consent when it was built, or that part being built contrary to the building consent issued;
- > if **you** rebuild **your house** on a different site, any extra costs associated with that site which otherwise would not have been incurred at the original site;
- > the cost of repairing or rebuilding any part of **your house** that has not suffered **loss** which is covered by this policy;
- > any compliance costs arising from any central or local government statute, regulation or by-law where the sole purpose of that legislation is to reduce the **house's** or **land's** exposure to a natural hazard;
- > the cost of repair or rebuild beyond what is reasonable and practical;
- > the cost to repair or rebuild **your house** to exactly its previous shape, location, dimensions, appearance or condition, or beyond what is reasonably comparable with the original **house** when first built or renovated; or
- > costs incurred without **our** consent. **We** may want to work with **you** to agree on suitable contractors and obtain quotes; or
- > any more than the amount set out in 'the maximum we'll pay clause' (see page 5 of this policy wording).

## What impact does a loss have on your policy

Unless **we** otherwise agree when **your** claim is accepted by **us** as covered under this policy, your **sum insured** and **reinstatement value** will be reduced by the amount of the **loss**.

In addition, the **sum insured** and **reinstatement value** is deemed to be reduced by the amount of all unrepaired **loss** which occurred in previous **periods of insurance**.

**Your sum insured** and **reinstatement value** will not reinstate unless and until the **loss** is repaired. The amount of cover will be reinstated as and to the extent that the **loss** is repaired.

The **sum insured** and **reinstatement value** will not reinstate following a **total loss** even if your **house** is rebuilt because your policy is at an end. The position set out on page 25 of this policy wording under the heading **total loss** applies.

# Our terms and conditions

## Assignment

**You** must not assign or attempt to assign:

- > this policy or **your** interest in this policy to anybody else; or
- > any claim or claim proceeds under this policy

without **our** prior written consent.

If **you** don't obtain **our** prior written consent, **we** won't be bound by the purported assignment.

## Breach of any condition

If **you** or any other person or entity **we** cover under this policy, or anyone acting on **your** behalf, breaches any of the provisions, terms, conditions and other requirements of this policy, **we** may not pay **your** claim either in whole or in part.

This does not affect any of **our** other rights, including the right to avoid the policy for non-disclosure or, where **your** claim is dishonest or fraudulent, to declare that this policy and any other policy **you** have with **us** are of no effect from the date of the dishonest or fraudulent act.

## Cancellation

**You** may cancel **your** policy with **us** at any time unless **you** have made a claim for a **total loss**. If **you** cancel **your** policy, then **we'll** refund any unused premium that **you** have paid.

**We** may cancel **your** policy with **us**:

- > if **you** have not paid the premium or a premium instalment within 28 days of the due date. Cancellation will take effect from the first day of the period to which the unpaid premium relates; or
- > for any other reason, by advising **you** by letter or email to **your** last known address or by advising **your** broker or agent in writing. Cancellation will take effect on the 30<sup>th</sup> day after the date of **our** email or letter to **you** or **our** written advice to **your** broker or agent. **We'll** refund any unused premium **you** have paid.

## Change of terms

**We** may modify the terms of this policy by advising **you** by letter or email to **your** last known address or by advising **your** broker or agent in writing. Modification will take effect on the 30<sup>th</sup> day after the date of **our** email or letter to **you** or **our** written advice to **your** broker or agent.

## Claim by people who aren't the named insured(s)

If a person who is not a named insured in the **schedule** has a claim which is covered by this policy, they must authorise **you** to be their agent in respect of the claim. **We'll** deal with **you** in respect of their claim and any payment **we** make to **you** will be effective as if it was payment to them. **We** won't be obligated to consider or settle a claim brought directly by a person who is not a named insured in the **schedule**.

## Double insurance

**You** must immediately tell **us** if **you** insure anything already insured under this policy again with someone else.

**We** won't cover **you** under this policy for any **loss**, costs, liability or damage that is also covered under any other policy with a different insurer to the extent of **your** cover under that other policy.

## Events

Any series of sudden and unforeseen **events** arising from one source or original cause shall be treated in this policy as if it was a single **event**.

## Goods and Services Tax (GST)

The **sum insured** referred to in **your** policy and the **schedule** is inclusive of any Goods and Services Tax (GST). All other amounts (including all benefit limits and **excesses**) are also inclusive of Goods and Services Tax (GST).

## Governing law

This insurance contract is governed by New Zealand law and the New Zealand courts have exclusive jurisdiction in respect of this policy.

## Interested parties

If **you** tell **us** that **you** would like a party who has a financial interest in the **house**, such as a bank or finance company, to be noted as an interested party then **we** may partially or fully settle a claim by making payment to the interested party. This payment will either go towards meeting or completely fulfilling **our** obligations under this policy.

The interested party is not covered by this policy and does not have any right to make a claim under this policy.

**You** authorise **us** to disclose any of **your** personal information to the interested party.

## Joint insureds

If the **schedule** shows multiple insureds, or the insured is a trust, or the policy otherwise covers multiple people, then all insureds and people covered are jointly insured. The joint insureds are deemed to act with the express authority of each other. This means, for example, that if one person breaches the policy or cancels the policy or settles a claim, it will affect all other joint insureds.

## Landlord obligations

If **your house** is tenanted **you**, or the person who manages the tenancy on **your** behalf, must:

- > obtain satisfactory written or verbal references for the **tenant** or **tenants** before entering the residential tenancy agreement, and
- > inspect the property, internally and externally, every three months and upon every change of **tenants**, and
- > keep a written record of each inspection which **you** can provide to **us**.

## Reasonable care

**You** must take reasonable care at all times to avoid circumstances that could result in a claim.

## Total loss

When **we** settle a claim for a **total loss** **your** policy ends on the date of the **event** and **you're** not entitled to any refund of premium.

## Your excess

The **excess** is the amount **you** must pay for each individual **event** when **you** make a claim. The amount of the **excess** is shown on the **schedule**.

If a **loss** occurs at a time when **your house** is **unoccupied**, and **we** cover **you** under this policy for the **loss**, **you** must pay the “**unoccupied excess**” shown on the **schedule** for each **event**.

If **your house** suffers a **loss** and **we** have accepted **your** claim and **we** accept another claim arising from the same **event** for **loss** to **your** contents and/or **your** car then **you** will only be required to pay one **excess**. The **excess** that **you** pay will be the highest of those **excesses** (including the **unoccupied excess** if applicable).

If **you** occupy the **house** when the **loss** occurs, and **your** claim is solely for **accidental** breakage of:

- > window glass, door glass or glass screens; or
- > sinks, baths, wash basins, toilet bowls, shower cabinets, bidets; or
- > permanently fixed mirrors, permanently fixed glass lampshades or glass built-in furniture,

which are part of the **house**; then the standard **excess** that will apply is \$250 for each **event**, unless the **schedule** shows that **you** have chosen ‘Excess-free glass cover’.
